MEMORANDUM FOR DR. KISSINGER

FROM: Phil Odeen

SUBJECT: Cambodia

On February 9 I sent you a memo (Tab B) reviewing some of the major FANK deficiencies and recommending a study of ways to improve FANK effectiveness.

Since that time, there have been numerous indications of interest from at least some quarters in Phnom Penh in considering some sort of accommodation with the NVA. It seems appropriate to expand the NSSM to include a series of political problems, including GKR-GVN and GKR-NVA relationships, as well as the military issues.

RECOMMENDATION

That you sign the self-explanatory NSSM at Tab A. Dick Kennedy and John Negroponte concur.
